

I am going to be a STAR in my Dance Recital!

By: Sara Battaglia
With the Help of CARD-USF

I have learned so much this year
in dance class.

We have been practicing our
recital dances and working very
hard.

We encourage you to use this book at your studio, but ask that you please leave our logo on it.

My teachers have helped me when I
need help, am scared, or confused.
I have tried on my recital costume
and it fits!
I look great in my costume!

Since I have practiced so hard, I
am ready to go on stage and
SHINE!

I will go to the theater and all my
friends and teachers will be there!

I will go on stage with my friends.
My teachers will also dance and
help me if I need help. There will
be a big audience, but it's ok
because they are all there to
watch me dance and support me.

I can wear my headphones if the
music is too loud!

We encourage you to use this book at your studio, but ask that you please leave our logo on it.

I will smile big & dance my best
and the audience will clap for me
because I did a great job!

Recital will be a lot of fun! After, I will get hugs from my teachers, friends, and family! I will be back to dance class soon to learn more and have fun!
