Going to the Gym at
This is Bayside Sports Academy.
We walk on a wood ramp to enter.
If we need help, someone at this desk can help us.
Bayside is very big inside. Sometimes it might be very noisy. If it is too noisy, I can wear some headphones.
If we need to use the restroom, there are a lot of restrooms at Bayside.
We will walk through this way to our classroom.
First, we will take our shoes off before we go into the dance studio.
Next, we will go to our class in the dance studio.
Maybe we will see Coach Holly or Coach Ricky.
We will sit on our mats. We will sing songs and have activities.
Next, we will go out to the gym. Boys will go here.
Girls will go here.
Some of the activities we might do.
We will not always do the same activities every time.
More fun activities we might do on different days.
We will see instructions on the floor to help us with our activities.
We will go back here at the end of class. We will get stamps and stickers!
When it is time to go, we will say goodbye to Coach and go out to the exit.

See you next time!
