

GUIDELINES

In February 2007 and 2008, Kaleisia Tea Lounge at Fletcher and 15th Streets in Tampa hosted the Gifts of Love Celebration and auctions to benefit the Center for Autism and Related Disabilities at the University of South Florida (CARD-USF). Silent and live auction items were available, as well as, of course, a selection of Kaleisia's finest teas and goodies. Live entertainment by the Seahorse Orchestra and many others and a presentation about CARD-USF rounded out 2 delightful evenings.

In honor of the generous, community spirit of Kim Pham and Lan Ha, the owners of Kaleisia, CARD-USF has created the *Kaleisia Family Development Project*. The Kaleisia Project was established to provide funding for services related to autism in the areas of training and development for families and individuals with autism spectrum disorders. Families and individuals can request stipends for registration to attend autism related events, trainings, educational programs, conferences or workshops.
