

Sponsor an Event

There are many ways that your company or organization can help support the Center for Autism and Related Disabilities at the University of South Florida (CARD-USF).

These include:

- making a direct financial contribution
- sponsoring an event run by CARD-USF (such as Fiesta by the Bay)
- having your employer match your gift
- donating gifts of stock and/or securities
- donating auction items
- organizing/hosting a fundraiser to benefit CARD

To further discuss your interest in Corporate Sponsorship and/or Corporate Giving, please contact Christine Rover, crover@fmhi.usf.edu, or 813-974-9264
