How to Use an ATM

1. Insert ATM, Debit, or EBT card, as shown on the display.

2. Enter pin (personal identification number) then press ENTER.

3. Choose the account that you want to take money out of. Usually checking or savings.

4. Select amount. How much cash we would like to take out.

5. Collect cash when it comes out of slot.

6. Collect receipt when it comes out of slot.

7. Collect ATM card.
