We are going to…
We will go to the Anthony’s on South Dale Mabry in Tampa. Maybe we will get a table soon.

If there are many people waiting in line, we will have to wait for a table. It will be OK. We can wait patiently because our food will be so delicious.
Maybe we will sit at a table inside.

If there are a lot of people inside, the noise of music and everybody having fun might be very loud.

Maybe we will sit at a table outside if the weather is nice.
There are lots of TVs on the walls. Most of the time the TVs are showing sports like football, basketball, soccer, or baseball.

Enjoying sports on TV is part of the reason many people come to Anthony’s.

There will also be music coming from the big speakers on the walls. Sometimes the music will be very loud.

If it is too loud, maybe I can wear headphones or listen to different music on my mp3 player.
We can enjoy pizza, salad, and many other delicious foods at Anthony’s!
We can look at the menu on the internet before we go!

Our pizza might come on a big round board and sit high off the table on a stand.

Anthony’s pizzas are cooked in a special oven that uses coal to make the fire.

When our pizza comes, the bottom will look different than some pizza I have had before. It is OK. It will still taste delicious!
When we order drinks like soda or tea, it will come in a bottle. We will get a glass with ice and a straw so we can pour our drink into the glass!
When our lunch or dinner is all done, it will be time to go.
Goodbye, Anthony’s, see you next time!
