My Visit to
Hotels and resorts are places we go sometimes when we are not at home. If we need to sleep somewhere that is not our home, and we are not camping out, we may stay with family or friends, or we may stay at a hotel, a motel, an inn or a bed & breakfast, or a cabin. On this trip, we will stay at the from ________________, November ___, 2011 until ________________, November ___, 2011.

There is a calendar on the next page that my mom or dad or companion can use to mark the days we will stay at the TradeWinds Resort.

How many people will be staying from our family or group? ____ people.

Who will be staying at the TradeWinds? ____________________________________.

How many rooms will we have? We will stay in ________ room(s).

_______________________________ ___________will stay with me in my room.
We will arrive at the TradeWinds resort at ______. Check in time: 4:00 PM

This is the registration desk where we will register
Maybe we will have to wait until our room is ready. Maybe we can sit in chairs in the colonnade...

...or we can visit one of the restaurants at the Tradewinds resort, or we can ask the Concierge about places we can go while we are waiting for our room to be ready.
Maybe we will stay at the Island Grand...

...or maybe we will stay at the Sandpiper. They are both part of TradeWinds Resort!
When we get to our room, maybe it will look something like this.

Maybe it will look slightly different. It will be a nice room.

I will not jump on the bed, and I will try to talk quietly and make soft noises. Why? Because there are people in other rooms near us who might be trying to rest, and if I make loud noises, it might wake them up or bother them. They might not be happy. I can try to talk quietly in my room.

OUTSIDE I will see two swans...

The two swans are named Sandy and Pearl.

Sandy and Pearl are beautiful to look at. They are lovely and graceful when they swim in the waterway.

Sometimes Sandy and Pearl bite people. I will keep my hands away from them. They will stay in the water. I will be OK. We can feed them at places where there is a machine with swan food.

We cannot feed the swans or any birds from the Flying Bridge. Why not? Because other birds such as seagulls and pigeons will maybe learn to dive down to try to get food from my hand. I might not like it if birds try to take my food.
TradeWinds Resort has a PetZone where people can walk their pet dogs or cats, and the animals can play. When I see white paws painted on the brick walkways, this is where I might see pets walking with their owners. Pets will be on a leash when they are walking.

When the pet area ends, there will be a “NO” sign over the white paws on the walkway. This means “No pets allowed beyond here.”

Pets will always be on a leash outside the Pet Play Zone.
OUTSIDE I can:

__ Play tennis. I can look at the map to see where the tennis courts are.
__ Play miniature golf. I can look at the map to see where the mini-golf course is.
__ Paddleboats. I can look at the map to see where the paddleboats are.
__ Go to the beach. I can also slide on the Hippo Slide or play volleyball!
__ Have fun with RedBeard the Pirate
__ Go to one of the pools.
The Activities Office is where I can get golf clubs and balls for Mini Golf, ping pong balls and paddles and tennis equipment.
