I Am Going to the Library!

A library is a place where I can visit and look at wonderful books, movies, music and use the computers.

Sometimes I might listen to a story being read.

I might borrow a book, movie, or music from the library and take it home for a while.

When I am done using the things I borrowed, I return them.

Sometimes, I might keep things for two weeks.

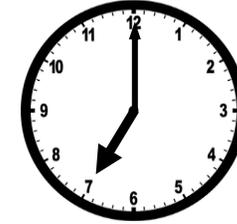

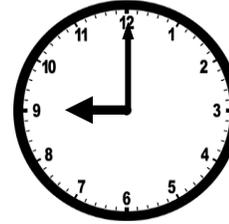

My Library Has Rules

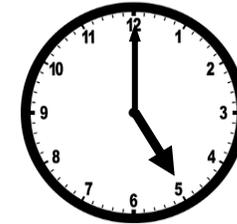

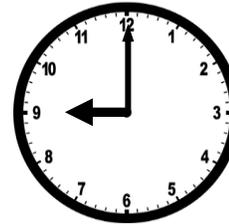

- If I am younger than 8 years old, I must stay where my parent or caregiver can see me.
- We will walk calmly inside the library. 
- We will use a quiet voice. 
- If I am younger than 13 and I want to use a computer I can sign up at the Children's Service Desk.
- If I am older than 13, I can use my library card or guest pass to use a computer. There are special areas for children, teens and adults to use computers. 
- I will wait my turn to use a computer.
- No food is allowed in the library. 

When Is the Library Open?

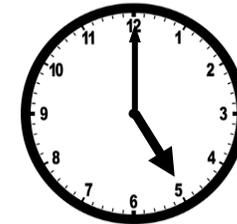

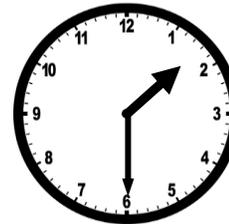

- Monday through Thursday
9:00 am to 7:00 pm

- Friday and Saturday
9:00 am to 5:00 pm

Library Cards

We can get a card at the library by bringing in our picture identification and proof of address. My parents or caregivers can help me get my own card.

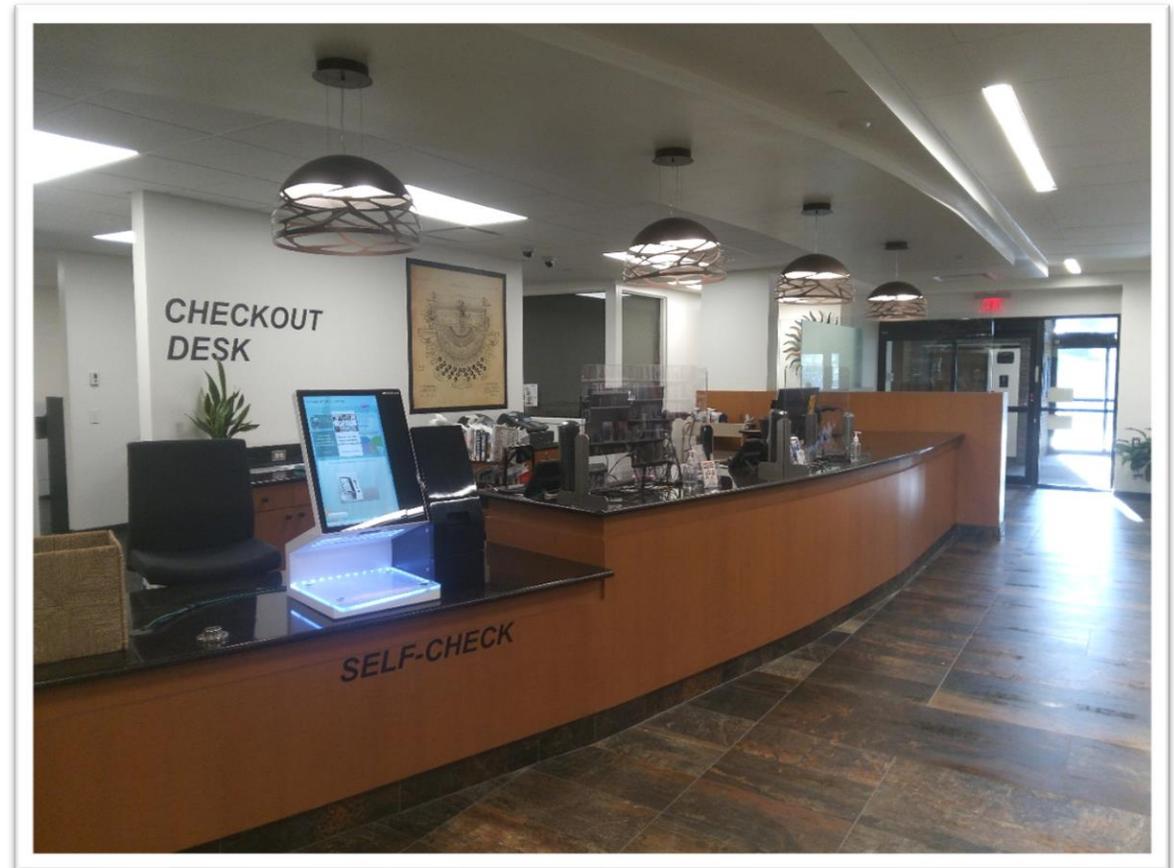

We need a library card to:

- Check out books, DVDs, CDs and other materials.
- Use a library computer if we are older than 12.
- Log in to the library website from our computers at home.

Checkout Desk

We can ask someone at the Checkout Desk how to get a library card, check out books, return books and for help finding the children's department.

You may want to check out your own items using the self-check station.
