CARD-USF Safety Kits

CARD-USF's Autism and Safety Kit is designed to provide individuals with Autism Spectrum Disorder (ASD) and their families with tips, information, advice and resources to help those living with ASD stay out of harm's way.

You may be eligible for a CARD-USF Safety Kit if you...

- Have a diagnosis of Autism Spectrum Disorder with supporting documentation
- Have safety concerns around water, elopement, fire, and/or poisoning – the kit includes items that address those safety areas
- Need assistance from CARD Staff to teach safety skills

Call 813-974-2532, or toll-free 1-800-333-4530 to get your kit.
