

# A Story About Going Outside For \_\_\_\_\_

I love going outside  
We have a park and I can play  
on the swings.

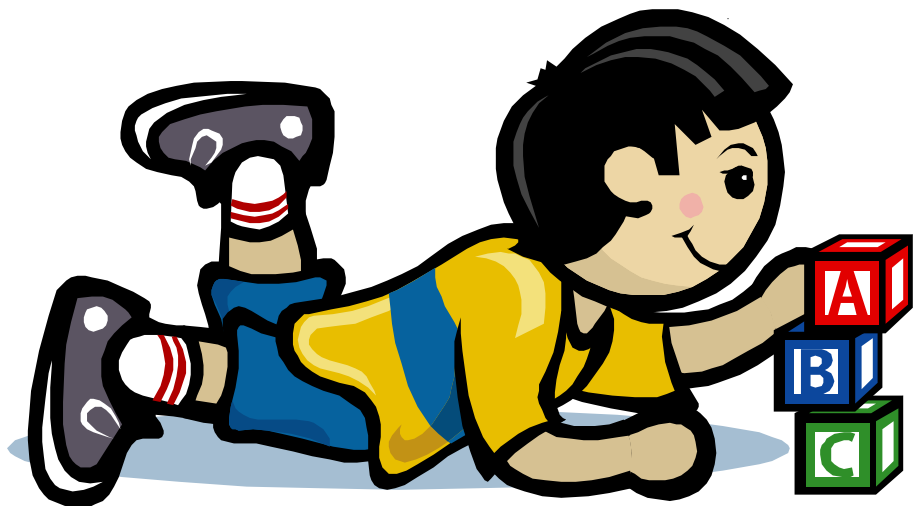

If I want to go outside and play I need to ask my mommy or my daddy for permission.

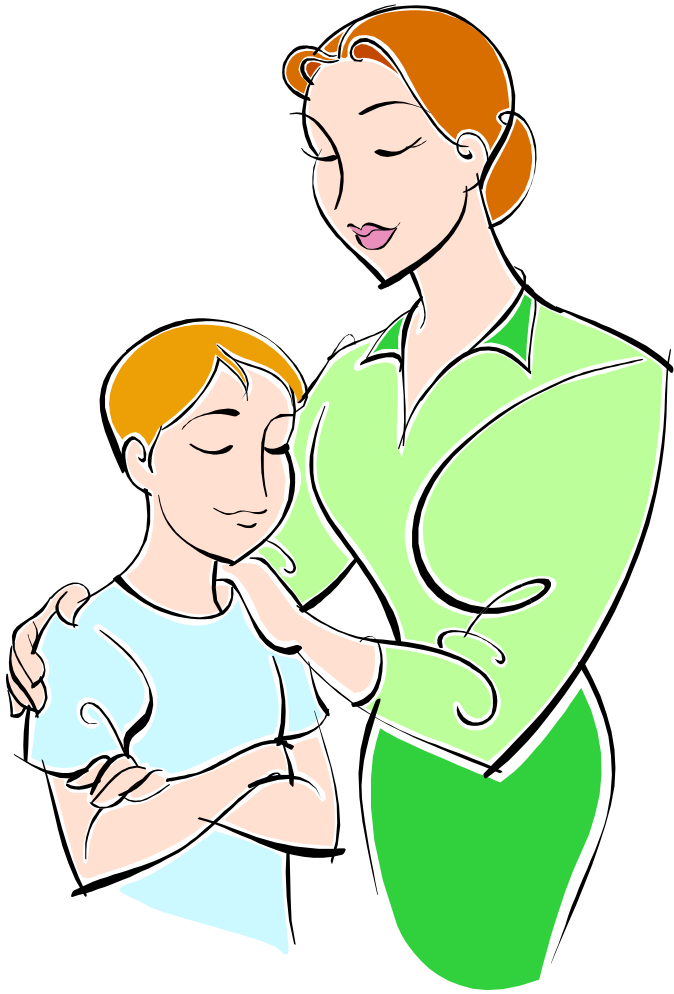

My mommy and daddy will be very happy if I ask for permission because that's what big boys do.

Sometimes my parents will say "yes"  
When they say "yes" I can go outside  
and play.

But sometimes my parents will say "no"  
When they say "no" I need to understand  
And I will try to find something else to do  
Maybe I can play with my toys in my room,  
or the WII, or I can watch a video.

My mommy and daddy will be very proud of me if I understand that sometimes I can't go outside.
