

Questions to Consider When Selecting a New School

- ◆ What are the certifications and experience of school staff involved with my child?
- ◆ What is the academic curriculum for the school?
- ◆ How are curricular accommodations and modifications provided for students with special needs?
- ◆ What is the school's approach to inclusion? How will opportunities for inclusion be provided for my child?
- ◆ Does the school's academic curriculum also provide opportunities to address my child's social goals?
- ◆ How are therapies and other special services provided at the school?
- ◆ What are the school's policies and procedures for supporting my child's behavior?
- ◆ How will my child's medical needs be addressed at school?
- ◆ What are the policies and procedures for visiting my child's classroom or communication with school staff?
