Lorikeet Landing

Full of brightly colored birds, Lorikeet Landing offers a thrilling experience for Zoo-goers. These birds will land on you and if you purchase nectar, they will eat out of a small cup as you hold it.

Feeding the Birds

You will need $1.00 to buy a cup of nectar.

Hold the cup carefully in your hand.

Wait quietly for a bird to land on your hand or fingers.

Sit very still while the bird eats from the cup.
Camel Safari

Take a ride on the back of a Dromedary camel. Located in the heart of Safari Africa, adults and children alike will enjoy this experience. This ride also offers unique views of Rhino Reserve as well as the cheetah exhibit.

Original information from Lowry Park Zoo website that describes the Safari Africa exhibit and one of the interactive activities available.

Camel Safari

You will need to buy a ticket.

Wait patiently for your turn to ride the camel.

Be sure to put on the safety belt. The zoo keeper will help the camel.

Let the zoo keeper help you when the camel ride is over.
